SHORE EYE SURGERY

We are located within North Shore Health Hub in Tower A (Acacia), on the corner of Westbourne St and Reserve Rd in St Leonards, opposite North Shore Private Hospital and the Kolling Institute

Parking

Parking is available underneath North Shore Health Hub (entry via Westbourne St) with lift access.

Additional street parking is available on Westbourne St

A patient drop-off bay is located in front of the building on Westbourne St

Public transport

We are a short walk from the train station and bus stops

What to bring

Valid referral letter from your doctor or optometrist, Medicare, pension, health fund or DVA cards, List of medications and allergies

Please note

Your eyes may be dilated at the appointment.

This may make your close up vision blurry and sensitive to bright light for a few hours and affect your ability to drive. Sunglasses are recommended.

Please allow 90 mins for the initial appointment.
